BROTHERHOOD OF ST ANDREW SCHOLARSHIP PROGRAM **\$5,000 IN TWO SCHOLARSHIPS TO BE GIVEN IN 2023!**

The Texas Assembly of the Brotherhood of St Andrew is awarding two scholarships of \$5,000 total to two high school graduating seniors in the Diocese of Texas in 2023. The scholarships will be awarded in May 2023 and the scholarship funds will be sent to the college the applicants are to attend.

Each parish or mission may submit **one** application. The Brotherhood recommends that you form a scholarship committee in your congregation. All interested seniors should be encouraged to submit an application. Your committee will select a winner and then forward that application to The Brotherhood Committee, 2129 FM 2920, Suite 190-185, Spring TX 77388 or you may email the application to dbrast@pdq.net.

A completed application with the response to the questions on the application must include:

- A letter of recommendation for the candidate written by the parish priest, youth leader or the senior warden.
- A current transcript from the applicant's High School.
- A copy of the Acceptance letter from the college you plan to attend.

All applications should be received by the parish priest or person in charge **by April 1, 2023**, so that the one application representing the congregation can be selected and forwarded to the Brotherhood Committee **by April 10, 2023** (postmarked, email date, or in person).

NOTE: Late or incomplete applications will not be accepted!
